

## EuroCash Certified Safe Grade 2: Model EC2-1 40

A4 Folder Capacity

### European Inspired Design

The EuroCash Safe range has been developed with input from leading European companies. They are designed to meet the requirements of discerning Clients requiring proven protection for their assets.

The EuroCash Safe range has met the stringent European Security Standard, EN1143-1, tested and certified by Internationally Approved Laboratories in Europe. The Fire Testing and Certification has been achieved under the Swedish standards.

The EuroCash range is built under the Integrated Management System (IMS) Certification, which encompasses the ISO 9001:2000, ISO 14001, and OHSAS : 18001 (Operational Health and Safety Assessment Series) Certifications - thus committing delivery of standard products, under pre-defined quality and safety procedures which are being continually monitored and assessed by Internal & External audits.

Godrej Security, the EuroCash Manufacturer, is also renowned globally for its ethical Business practices and its concern for Environmental and Social welfare.
